Becky, our event coordinator, as well as the entire staff at Hawk's View were instrumental in making our wedding perfect. Service was wonderful from start to finish, the course and grounds were immaculate, and the food and drinks were delicious! If you are in the market – I'd highly recommend them for any event!

My husband and I highly recommend having your wedding ceremony and reception at Hawk's! It is literally a one stop shop for just about everything. The views of the course in Fall are just gorgeous. The staff is wonderful!

And the food!!!! Omg so good!!!
